EDUCATION

Addis Ababa Univeristy, *Software Engineering*

04/2022 – 06/2026 | Addis Ababa, Ethiopia

PROFILE

Passionate Software Engineer with expertise in developing scalable web and backend solutions. Skilled in Java, Python, Next.js, React, Node.js, and Django. Experienced in building full-stack web platforms and backend services. Proficient in cybersecurity, focusing on securing applications and systems. Driven by continuous learning and delivering high-quality, impactful software.

PROFESSIONAL EXPERIENCE

Freelance, *Website Developer*

07/2024 – present | Addis Ababa, Ethiopia

Develop websites for private clients, handling both frontend and backend development, and run tests, managing the entire development process.

ITSC, *UI/UX Designer*

08/2024 – 11/2024 | Addis Ababa, Ethiopia

I designed user friendly and visually appealing interfaces for web and mobile apps using Figma. I designed with users in mind, creating smooth, polished experiences while working closely with developers and stakeholders to bring ideas to life.

YBS Software Development, *Full-Stack Developer*

01/2025 – present | Addis Ababa, Ethiopia

I build and maintain web applications using Next.js, React, Node.js, and Django. I work on both the front end and back end, creating responsive interfaces and building reliable systems that work well together.

SKILLS

Python, Java , Back-end Development, Front-end Development, Full-stack Development, Mobile App Development, Cyber-Security, Machine Learning, UI/UX Designing, Cloud Security
